March, 1954

Dear Bandsman:

Herewith is the second issue of the Michigan Band Alumni News. This will bring you up to date on the Michigan Band Alumni.

The 1953 Reunion was a great success. We had 120 playing members on the field. This year, we will have many more. Since the 1953 Reunion, the Board has met three times, each time with practically a complete attendance. Maybe I should have said "full attendance", as the last meeting was a dinner meeting at Prof. Revelli's home, and Prof. and Mrs. Revelli certainly do not send you away hungry. If you have never eaten one of Mrs. Revelli's dinners you have not lived.

Aside from eating well, your Board has done the following:

(a) Studied the Michigan Band's budget and financial requirements, with the view of getting some definite annual commitment from the Athletic Department for the Marching Band. (Preliminary conferences with Fritz Crisler have been very encouraging);

(b) Obtained publicity and news releases on our activities;

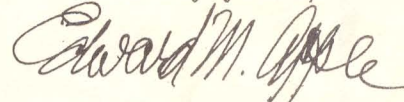

(c) Outlined plans for membership drive;

(d) Outlined plans for the 1954 Reunion, which will be the week end of October 29th and 30th, 1954 (Varsity Night and Indiana Game). More on this later;

(e) Elected several Honorary Members to receive Life Certificate in 1954;

(f) Collected and arranged historical Band data.

Cordially yours,

EDWARD M. APPLE, Pres.
