

David J. Johnson, 59, of Chicago, Ill., Founder, President and CEO of Wizards Software Solutions, Chicago and former partner of Eastlake Studios, Inc, Chicago, passed away on December 31, 2017, surrounded in love by his family, after a valiant fight against Pancreatic Cancer.

He was preceded in death by his parents Robert and Barbara (nee Holmes) of Ann Arbor, Michigan. He is survived by his wife, Mary (nee May), his children, Case (Sara), Kyle (Monica) and Cooper, his brothers Doug and Cliff (Marcia), his sister Ellen (Dave) Fishel and 40 nieces and nephews as well as many wonderful friends.

His incredible spirit embraced life with gusto. He was an accomplished golfer, hiker, cyclist, tubist, photographer (viewfrom6a.blogspot.com), world traveler, and diehard Cubs fan.

His loss is great but the amazing memories he left us are abundant.

David was a graduate of the University of Michigan School of Architecture, Class of 1980. He went on to the University of Illinois for his Master of Architecture and MBA.

Donations can be made in his memory to the Michigan Marching Band or its Alumni Association.
